1. Initial Login screen

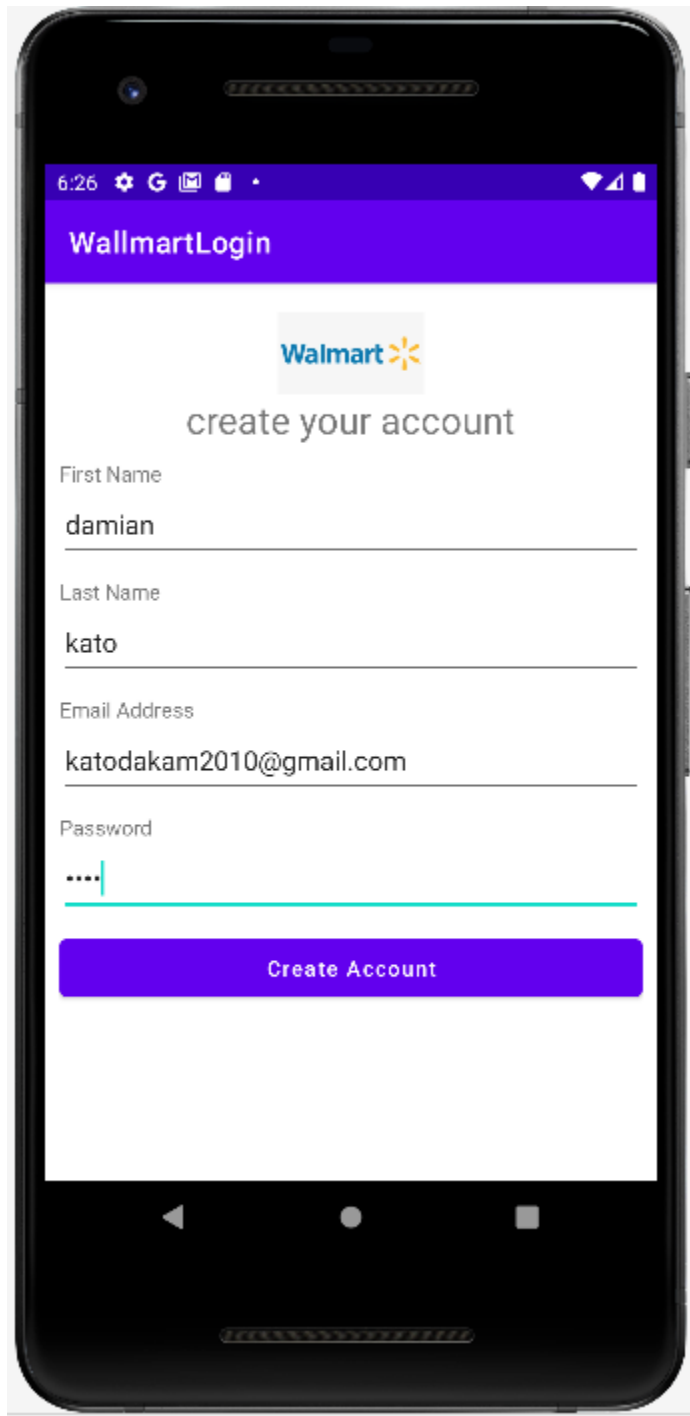

2. After Login

3. When category is clicked

4. User registration

The image shows a smartphone screen displaying the WalmartLogin app's registration interface. The app's title bar is purple with the text "WalmartLogin" in white. Below the title bar, the Walmart logo is centered, followed by the text "create your account". The form consists of four input fields: "First Name" with the value "damian", "Last Name" with the value "kato", "Email Address" with the value "katodakam2010@gmail.com", and "Password" with masked characters "....". A purple "Create Account" button is positioned below the password field. The smartphone's status bar at the top shows the time as 6:26 and various icons. The bottom of the screen displays the standard Android navigation bar.
